English Language Arts 7-8 critically examines both contemporary fiction and non-fiction as well as selections from classic British Literature. This course is designed to enhance and refine students' writing skills and students will learn how to write clearly and effectively for a variety of purposes. Throughout the course, students will be provided with a myriad of opportunities to understand, evaluate, and clearly communicate ideas through reading, writing, speaking, and listening. This course offers expanded opportunities to use 21st century skills to enhance the learning experience and expand course themes. English Language Arts 7-8 is aligned with the Arizona College and Career Ready standards and supports the school wide efforts in increasing student achievement.

By the end of this course of study, the student will know or be able to:
Determine and analyze the development of two or more central ideas over the course of a text to provide a complex analysis
