

The information collected on meal applications for the National School Lunch Program (NSLP) can do more than just provide free and reduced-price

# Meal Application

Dear Parent/Guardian:

Children need healthy meals to learn. Deer Valley Unified School District offers healthy meals every school day. Breakfast costs \$1.50; lunch costs \$2.95 for elementary and \$3.60 for high schools. Your children may qualify for free or for reduced-price meals. The reduced-price meals will also be free throughout this school year, as DVUSD has waived the reduced price meal pay for both breakfast and lunch.

Our schools often participate in programs that your child may benefit from if your child qualifies for free or reduced-price meals. Households must complete the **SNAP, FDPIR & TANF** form and the **Consent for Sharing** form to be shared with these programs. The **Consent for Sharing** form should be returned to the school with the submission of the school meal application.

This packet includes a school meal application for free or reduced meal benefits, application directions, Consent for Sharing form. Below are some common questions and answers to help you with the application process.
