

The Mountain Shadows PTSA held the 2nd Annual Lead-a-Thon Fun Run. This fun event had students K-6 (and some staff and parents) running laps during PE to help raise funds for their school. Students had a goal of raising \$25 each. Prizes and parties were presented based on amount raised. The event raised approximately \$8600 after expenses of \$3700 were paid. Local sponsors helped with contributions of \$2000 to cover expenses. T-shirts and prizes were obtained through Fast Trac at a discount. For more information about this event contact
